

## Delivered Projects by Financial Year

Financial Year Delivered	Data Linkage Project Title	Principle Investigator's / Responsible Person's Organisation
not applicable	Child Protection and Development	SA Department for Families and Communities
2018/2019	Scoping the Twin's Registry Establishment SA	The University of Adelaide
2018/2019	Scoping the Twin's Registry Establishment NT	The University of Adelaide
2018/2019	Child Health and Development in South Australia: A whole-of-population data linkage study - AIHW linkage to Centrelink, Stage 1	The University of Adelaide
2018/2019	Australian Longitudinal Study on Women's Health (ALSWH) Data Linkage Project SA component	The University of Queensland
2018/2019	Observing Recurrent Incidence of Adverse Outcomes following Hospitalisations (ORION) - NT	The University of Adelaide
2018/2019	Observing Recurrent Incidence of Adverse Outcomes following Hospitalisations (ORION) - SA _ Update	The University of Adelaide
2018/2019	Baseline for monitoring the burden of rheumatic heart disease in Australian jurisdictions: NT component	Telethon Kids Institute
2018/2019	Baseline for monitoring the burden of rheumatic heart disease in Australian jurisdictions: South Australia component	University of WA
2018/2019	Data Quality Review of Indigenous Status in the Cancer Registry	SA Health
2018/2019	Evaluation of the Aspire Adelaide Social Impact Bond Project (ASPIRE) 2018/3	SA Government
2018/2019	Consequences of child maltreatment in South Australia - cohort extension and update (DECD)	University of South Australia
2018/2019	Child Health and Development in South Australia: A whole-of-population data linkage study - Youth Justice update and Homeless to Home	University of South Australia

Financial Year Delivered	Data Linkage Project Title	Principle Investigator's / Responsible Person's Organisation
2018/2019	Child Health and Development in South Australia: A whole-of-population data linkage study - Family mapping	The University of Adelaide
2018/2019	Consequences of child maltreatment in South Australia - Maternal links	University of South Australia
2018/2019	Long-Term Mortality Rates of Patients Undergoing Vitrectomy for End-Stage Diabetic Retinopathy	Flinders University, SAHMRI
2017/2018	Perioperative Outcomes and Risk Assessment in Patients on Renal Replacement Therapy SA component	Queensland Health
2017/2018	Living With Acute Coronary Syndrome	The George Institute
2017/2018	The Adelaide University Geocoding Prototype Review	The University of Adelaide
2017/2018	Evaluation of the Aspire Adelaide Social Impact Bond Project (ASPIRE) 2018/1	SA Government
2017/2018	Mothers against gestational diabetes (MAGDA) Extract 3	University of Melbourne, Flinders University
2017/2018	Perioperative Risk Assessment and Modification in Patients on Renal Replacement Therapy NT component	Queensland Health
2017/2018	Epidemiology and outcomes in cirrhosis	SA Health
2017/2018	What do cancer survivors die of?	SA Health
2017/2018	Florey Adelaide Male Ageing Study (FAMAS) Study Data Linkage Project	The University of Adelaide
2017/2018	North West Adelaide Health Study (NWAHS) Study Data Linkage Project	The University of Adelaide
2017/2018	Parenthood in Patients Receiving Dialysis or Kidney Transplantation: A National Study of Perinatal Risks and Outcomes Through Population Record Linkage	SA Health, The University of Adelaide
2017/2018	The transition from hospital to home: A longitudinal study of Aboriginal and Torres Strait Islander traumatic brain injury	James Cook University

Financial Year Delivered	Data Linkage Project Title	Principle Investigator's / Responsible Person's Organisation
2017/2018	FluVENT: Influenza vaccine effectiveness within the Indigenous population of the Northern Territory - A data linkage study	Menzies School of Health Research
2017/2018	Data Quality Review of the Child Protection dataset (2017)	Department for Child Protection
2017/2018	Data Quality Review of the DECD Student DETE number (2017)	SA DECD
2017/2018	National Integrated Health Services Information (NIHSI) Patient Identifier for SA Health	SA Health
2017/2018	DIU Data Quality Report of the National (Codified) Cause of Death Unit Record File for the Northern Territory	Australian Coordinating Registry
2017/2018	DIU Data Quality Report of the National (Codified) Cause of Death Unit Record File for South Australia	Australian Coordinating Registry
2017/2018	DIU Data Quality Review of the Births dataset 1944-2017	Consumer and Business Servi
2017/2018	Integrative context-process-outcome evaluation of South Australia's Obesity Prevention and Lifestyle (OPAL) program	University of South Australia
2017/2018	DIU Data Quality Review of the Deaths dataset 1990-2017	Consumer and Business Servi
2017/2018	Enhancing the accuracy of cardiovascular risk assessment in Indigenous Australians	Menzies School of Health Research
2017/2018	Evaluation of the Aspire Adelaide Social Impact Bond Project (ASPIRE) 2018/2	SA Government
2017/2018	Dialysis Models of Care Project	Menzies School of Health Research
2017/2018	Improving the developmental outcomes of Northern Territory children: a datalinkage study to inform policy and practice in health, family services and education - Extract 2 update	Menzies School of Health Research
2017/2018	Data Quality Review of SA Public Mental Health (CCCMS)	SA Health
2017/2018	Consequences of child maltreatment in South Australia - Birth and Death dataset update	University of South Australia

Financial Year Delivered	Data Linkage Project Title	Principle Investigator's / Responsible Person's Organisation
2017/2018	Consequences of child maltreatment in South Australia - remapping of keys	University of South Australia
2017/2018	BreastScreen SA geocoding	SA Health
2017/2018	Child Health and Development in South Australia: A whole-of-population data linkage study - Birth cohort extension	The University of Adelaide
2016/2017	Colorectal Cancer – early detection, clinical management and survival outcomes at a population level	University of South Australia
2016/2017	The South Australian Education and Child Development (ECD) Evidence Bank	SA DECD
2016/2017	Where not to have your heart attack: A linked health data analysis of the association between population composition, geographic accessibility to cardiac services and cardiovascular outcomes (Cardiac ARIA). NT component	Flinders University
2016/2017	Developmental outcomes of Northern Territory children	Menzies School of Health Research
2016/2017	Where not to have your heart attack: A linked health data analysis of the association between population composition, geographic accessibility to cardiac services and cardiovascular outcomes (Cardiac ARIA). SA component	Flinders University
2016/2017	Prevalence estimates for prenatal alcohol exposure and fetal alcohol spectrum disorders in the Northern Territory, using multiple data sources	NT Government
2016/2017	Observing Recurrent Incidence of Adverse Outcomes following Hospitalisations (ORION) - SA	SA Health
2016/2017	Child Health and Development in South Australia: A whole-of-population data linkage study Stage 3	The University of Adelaide
2016/2017	Child Health and Development in South Australia: A whole-of-population data linkage study Stage 2	The University of Adelaide
2016/2017	Economic Evaluation of Congress Nurse Family Partnership Program Stage 3	University of South Australia
2016/2017	South Australian and Northern Territory Aboriginal and Torres Strait Islander Heart and Stroke Data Linkage Project (ESSENCE) SA	SAHMRI
2016/2017	Birthplace in Australia Project - NT component	The University of Technology Sydney

Financial Year Delivered	Data Linkage Project Title	Principle Investigator's / Responsible Person's Organisation
2016/2017	Does cancer therapy break your heart? A linked SA/NT health data analysis of the characteristics, outcomes and survival of patients who have developed cardiotoxicity after cancer treatment.	Flinders University
2016/2017	Economic Evaluation of Congress Nurse Family Partnership Program Stage 2	University of South Australia
2015/2016	Birthplace in Australia Project - SA component - Maternal links	The University of Technology Sydney
2015/2016	Birthplace in Australia Project SA component	The University of Technology Sydney
2015/2016	Is there an association between maternal papilloma infection and intrauterine growth retardation?	University of South Australia
2015/2016	North West Adelaide Health Study (NWAHS) Study Data Linkage Project	The University of Adelaide
2015/2016	Florey Adelaide Male Ageing Study (FAMAS) Study Data Linkage Project	The University of Adelaide
2015/2016	Mothers against gestational diabetes (MAGDA) Stage 2	University of Melbourne
2015/2016	Quantifying the Burden of Systemic Sclerosis in Australia: From Data Linkages to Patient-Reported Outcomes	St Vincent's Hospital, Vic
2015/2016	Developing an advanced data system for describing cancer stage, co-morbidity, clinical management and outcomes of Aboriginal people with cancer in South Australia and their experiences with cancer and cancer services (CANDAD) Supplement	University of South Australia
2015/2016	Familial links (maternal) for SLP2011_0006	University of South Australia
2015/2016	Consequences of child maltreatment in South Australia	University of South Australia
2015/2016	PHRN Proof of Concept #2 - The burden and cost of injury attributable health care use and mortality in Australia Stage 2	University of NSW
2015/2016	An integrated national assessment of cervical cancer prevention, incidence and survival for Australian Aboriginal and Torres Strait Islander women: a data linkage study.	Menzies School of Health Research
2015/2016	Fragility Fractures as predictors of future serious injury and hospitalisation in South Australia	Flinders University

Financial Year Delivered	Data Linkage Project Title	Principle Investigator's / Responsible Person's Organisation
2015/2016	Mothers against gestational diabetes (MAGDA) Stage 2 update	University of Melbourne
2015/2016	Child Health and Development in South Australia: A whole-of-population data linkage study Stage 1	The University of Adelaide
2015/2016	Developmental Trajectories in Australia: Perinatal outcomes and child development (risk and protective factors)	Telethon Kids Institute
2015/2016	Economic Evaluation of Congress Nurse Family Partnership Program Stage 1	University of South Australia
2014/2015	Developing an advanced data system for describing cancer stage, co-morbidity, clinical management and outcomes of Aboriginal people with cancer in South Australia and their experiences with cancer and cancer services	University of South Australia
2014/2015	Skin cancer to predict development of solid organ cancer post renal transplant	SA Health
2014/2015	Australian Longitudinal Study on Women's Health (ALSWH) Stage 2	University of Queensland
2014/2015	Mothers against gestational diabetes (MAGDA) Stage 1	University of Melbourne
2014/2015	Closing the Gap in NT Indigenous Birth registrations	University of Melbourne
2014/2015	PHRN Proof of Concept #2 - The burden and cost of injury attributable health care use and mortality in Australia Stage 1	University of NSW
2014/2015	Enhanced reporting on "Closing the Gap" Initiatives Project Stage 2	NT Health
2014/2015	The effects of early life conditions and experiences on child development and learning: a whole population study (SA ECD Demonstration Project) Stage 3	The University of Adelaide
2013/2014	Quality of End of Life Case Study: Statistical Linkage Project. Health Performance Council.	SA Health
2013/2014	Australian Longitudinal Study on Women's Health (ALSWH) Stage 1	University of Queensland
2013/2014	The effects of early life conditions and experiences on child development and learning: a whole population study (SA ECD Demonstration Project) Stage 2	The University of Adelaide

Financial Year Delivered	Data Linkage Project Title	Principle Investigator's / Responsible Person's Organisation
2013/2014	Cardiovascular disease events for participants of the Diabetes and Related conditions in Urban Indigenous people in the Darwin Region (DRUID) Follow-up Study	Menzies School of Health Research
2013/2014	Cardiovascular disease events for participants of the Diabetes and Related conditions in Urban Indigenous people in the Darwin Region (DRUID)	Menzies School of Health Research
2013/2014	Potentially Preventable Admissions to South Australian Public Hospital Services Stage 2	SA Health
2012/2013	PHRN Proof of Concept #1 - Post Hospital Mortality	WA Department of Health
2012/2013	NT Early Childhood Development Demonstration Project Stage 2	Menzies School of Health Research
2012/2013	Enhanced reporting on "Closing the Gap" Initiatives Project Stage 1	NT Health
2011/2012	Potentially Preventable Admissions to South Australian Public Hospital Services Stage 1	SAHMRI
2011/2012	The effects of early life conditions and experiences on child development and learning: a whole population study (SA ECD Demonstration Project) Stage 1	The University of Adelaide
2011/2012	NT Early Childhood Development Demonstration Project Stage 1	Menzies School of Health Research
2010/2011	Colorectal Cancer - Early detection, clinical management and survival outcomes at a population level	Cancer Council SA
	Joint replacement outcomes in renal dialysis and transplant patients, a data linkage project	Australian Orthopaedic Association
	Consequences of child maltreatment in South Australia - cohort extension and update	University of South Australia
	Evaluation of The University of Adelaide developed Geocoder	The University of Adelaide
