

## List of SA NT DataLink Projects by Financial Year

Research Study Title (Linkage Project Name)	Chief Investigator's Organisation	Financial Year Delivered
Colorectal Cancer - Early detection, clinical management and survival outcomes at a population level	Cancer Council SA	2010/2011
NT Early Childhood Development - Stage 1 extraction	Menzies Institute for Health Research	2011/2012
SA Early Childhood Development - Stage 1 extraction	University of SA, then University of Adelaide	2011/2012
Potentially Preventable Hospital Admissions - Stage 1 extraction	SA Health	2011/2012
Child Protection and Development	SA Department for Families and Communities	not applicable
PHRN Proof of Concept # 1 - Post Hospital Mortality	WA Department of Health	2012/2013
Enhanced Reporting on "Closing the Gap" Initiatives Project (Stage 1)	NT Department of Health	2012/2013
NT Early Childhood Development - Stage 2 key reassignment	Menzies Institute for Health Research	2012/2013
Potentially Preventable Hospital Admissions (Stage 2 extension)	SA Health	2013/2014
Cardiovascular disease events for participants of the Diabetes and Related conditions in Urban Indigenous people in the Darwin Region (DRUID)	Menzies Institute for Health Research	2013/2014
Cardiovascular disease events for participants of the Diabetes and Related conditions in Urban Indigenous people in the Darwin Region (DRUID) Follow-up study	Menzies Institute for Health Research	2013/2014
SA Early Childhood Development (Stage 2 extension)	University of Adelaide	2013/2014
Australian Longitudinal Study on Women's Health (ALSWH) - SA Stage 1	University of Queensland	2013/2014
Australian Longitudinal Study on Women's Health (ALSWH) - SA Stage 2	University of Queensland	2014/2015
Health Performance Council: Palliative Care	SA Health	2013/2014
Enhanced Reporting on "Closing the Gap" Initiatives Project - Stage 2 linking NT Perinatal dataset to NT Client Master Index, NT Births & Deaths	NT Department of Health	2014/2015
PHRN POC#2 - The burden and cost of injury attributable health care use and mortality in Australia - Stage 1 extract for Case Controls	University of NSW	2014/2015
ATSI Cancer Monitoring System (CANDAD)	University of South Australia	2014/2015
Closing the Gap in NT Indigenous Birth Registrations	University of Melbourne	2014/2015
SA Early Childhood Development - Stage 3 extension including the Child Protection data	The University of Adelaide	2014/2015
Mothers against gestational diabetes (MAGDA) - Stage 1	University of Melbourne	2014/2015
Skin cancer to predict development of solid organ cancer post renal transplant	SA Health	2014/2015
North West Adelaide Health Study	University of Adelaide	2015/2016
Men, Androgen, Inflammation, Lifestyle, Environment and Stress (MAILES) Study Data Linkage Project	University of Adelaide	2015/2016
Mothers against gestational diabetes (MAGDA) - Stage 2 extension	University of Melbourne	2015/2016
Mothers against gestational diabetes (MAGDA) - Stage 2 update -following perinatal data update	University of Melbourne	2015/2016
Fragility Fractures as predictors of future serious injury and hospitalisation in South Australia	Flinders University	2015/2016
Developmental Outcomes of NT Children	Menzies Institute for Health Research	2015/2016
PHRN POC#2 - The burden and cost of injury attributable health care use and mortality in Australia - relinked 2015 release of Electoral Roll	University of NSW	2015/2016

Is there an association between maternal papilloma infection and intrauterine growth retardation?	University of South Australia	2015/2016
Child Health and Development in South Australia - Stage 1	The University of Adelaide	2015/2016
Developmental Trajectories in Australia: Perinatal outcomes and child development (risk and protective factors)	Telethon Kids Intsitute	2015/2016
Quantifying the burden of systemic sclerosis in Australia: from data linkages to patient-reported outcomes	St. Vincent's Hospital, Melbourne	2015/2016
Priority setting for Child Protection (Consequences of child maltreatment in SA)	University of South Australia	2015/2016
Priority setting for Child Protection (Consequences of child maltreatment in SA) - Maternal Links	University of South Australia	2015/2016
Economic Evaluation of Congress Nurse Family Partnership Program - Stage 1	University of South Australia	2015/2016
An integrated national assessment of cervical cancer prevention, incidence and survival for Australian Aboriginal and Torres Strait Islander women	Menzies Institute for Health Research	2015/2016
CanDAD - Supplementary	University of South Australia	2015/2016
Birthplace in Australia Project - SA component	University of Technology, Sydney	2015/2016
Birthplace in Australia Project - SA component- Maternal links	University of Technology, Sydney	2015/2016
Birthplace in Australia Project - NT component	University of Technology, Sydney	2016/2017
South Australian and Northern Territory Aboriginal and Torres Strait Islander Heart and Stroke Data Linkage Project (Essence) - SA Component	SAHMRI	2016/2017
Economic Evaluation of Congress Nurse Family Partnership Program - Stage 2	University of South Australia	2016/2017
ORION - Observing Recurrent Incidence of Adverse Outcomes following Hospitalisations	CALHN, The University of Adelaide	2016/2017
DECD Evidence Bank - Stage 1	SA Department for Education and Child Development	2016/2017
Cardiac Aria - SA component	Flinders University	2016/2017
Cardiac Aria - NT Component Stage 1 geocoding	Flinders University	2016/2017
Child Health and Development in South Australia: A whole-of-population data linkage study STAGE 2a	The University of Adelaide	2016/2017
